## ATTENTION !!!!

The West Virginia Forestry Association will be holding eight first aid/CPR/BBP classes in the upcoming months. The classes will be taught by certified American Red Cross instructors.

Completion of the class will meet the requirements for the West Virginia Division of Forestry Certified Logger Licensing and also the Occupational Health and Safety Administration's (OSHA) Logging Operations Standard.

## REMEMBER!!!

The OSHA Logging Standard requires that each logging employee and some sawmill employees have a current first aid, CPR & Bloodborne Pathogens training certificate.
